

Knoll Bungalow
Broughton

467B.

Dear Dr Parr,

These snaps were sent to me by Mr & Mrs Junstall who came to live next door when I came here in 1950. I mentioned your scheme when writing to them for Christmas & asked if they had any photographs which might be suitable. They are very pleased to lend these & hope they will be of use to you. As you know this property was all part

of Knoll Farm & the
pictures of the front
before the porches were
built clearly show the
arched brickwork where
the big doors would have
been for carts & farm
machinery.

Incidentally they
bought that house for
£2,000 & the field for £200.

Mr. Shea will have told
you that my ulcer is
almost healed; I have
enjoyed her visits and
if I need her services
again as I get older it
will be like welcoming an
old friend.

Yours sincerely,

Kathleen Smith
