Dear Dr Parr

Thank you for your letter of 13th February and I am sorry I have not been able to reply before but it has involved some research.

Regretfully I am afraid we have ~~no~~ records before 1912 otherwise you would have been very welcome to ~~have~~ borrowed a copy.

We have a catalogue of the 1947 sale of the Norman Court Estate but there were only two parcels of land sold at Broughton and the information would not help you.

Thank you for offering to pay but I enjoyed what little research it involved and there is certainly nothing to pay. I am not surprised that the project is proving fascinating and I wish you luck.

With kind regards.

Yours sincerely
