Dear Annie Just a line in answer to your letter and also to thank you for the photo and there is no mistake about who it is you come out very well undeed and we thank you very much for it. hoping you are quite well as it leaves us about the same as usual we are getting plenty of wet again now Bert was home last Sunday and had to go back to Dunbridge in the wet at night but I suppose young people dont mind so much as ~~ys~~ older ones do he is farther up in the town now than he was a easier place you are more likely to see him now than you was before we was very glad to hear from you and glad to hear you was getting on alright and when you come up again you must come up and see us I suppose you have some ways to go to Chaple or must you attend Church I hope they allow you to please yourself were you attend I think it a great deal best one of John Smiths daughters is just dead with Consumption I hope she is better of thats the main point beleiving in the Precious Blood Christ then we can say with one of Old for me to live is Christ and to die is gain (?) but so many put it off for some more convenient day but we want Him to live with as well as die and then life is worth living and the sooner we begin the happier we shall be I suppose you have heard old Jim Gilbert is dead and his wife is gone to the union George Budden they say is going to be married next Monday or Tuesday he is about 60 she is about 40 from the union but new I must close with fondest love from your loving aunt and uncle E & H Baugh

Christ then we can say with  
 one of old for me to live is  
 Christ and to die is going but  
 so many put it off for some  
 more convenient way but we  
 want Him to live with as  
 well as die and then life  
 is worth living and the sooner  
 we begin the happier we shall  
~~be~~ ~~of~~ ~~you~~ ~~have~~ ~~heard~~ ~~old~~

 dear Annie just a line  
 in answer to your letter  
 and also to thank you  
 for the photo and there  
 is no mistake about who  
 it is you come out very  
 well indeed and we thank  
 you very much for it. hoping  
 you are quite well as  
 it leaves us about the  
 same as usual we are

getting plenty of work  
again now Mark was  
home last Sunday and had  
to go back to Dunbridge  
in the week at night but  
I suppose young people don't  
mind so much as older  
ones so he is further up  
in the town now than he  
was a ~~while~~ easier place  
you are more likely to  
see him now than you was  
before we was very glad  
to hear from you and  
glad to hear you was

getting on alright and when  
you come up again you  
must come up and see  
us I suppose you have some  
ways to go to chapel or must  
you attend church I hope  
they allow you to please  
yourself were you attend  
I think it a great deal  
worse one of John Smith's  
daughter is just dead  
with consumption I hope  
she is better off than  
the main point remaining  
in the precious blood
