Dear Sir

My Brother in Law
 having offered me his
 Bute hess business
 I am putting the Broughton
 one on the market
 I did not know if you
 would be interested in
 it at the low figure of
 £850 without the inventory
 the business shows a
 return of about £42 —
 per wk. the property

is in excellent repair
I have spent just over
£100 on it since having
it should you entertain
this offer I should be
glad of an answer in
the course of a few
days Thanking you

Yours faithfully
